

2026/2027 Professional Development for Schools and Trusts

HOW TO BOOK

To book on a course/event go to <https://www.rdbe.org.uk/course-booking>

This is the only way to book a course. Use the calendar to navigate to the course you wish to book, click on the course name and complete the form to book. All courses show as 'free', but each has an associated cost which applies to those schools who do not subscribe to the partnership agreement – see the individual course information for more details. Please contact Louise Liddy (louise.liddy@rochester.anglican.org) with any queries.

It is essential that you book on courses in advance of attending, and that you cancel if you are unable to attend. We are committed to serving you and to providing good hospitality at all of our training events, our ability to do this is significantly hindered if we do not have accurate attendance figures in advance. Booking for face to face event will close 7 days in advance (earlier for some conferences). Cancellations must be received 48 hours prior to training, or the full cost will be payable.

CHARGING STRUCTURE

As laid out in our [partnership agreement](#), the majority of our 2026/27 Professional Development is being offered free of charge to our Partnership Schools. Where we are unable to provide an event for free, it is significantly discounted for Partnership Schools. Schools not subscribing to the Partnership Agreement should see the booking page on the website for individual course charges

ON DEMAND TRAINING

The 'on demand' training offer is being developed. It can be accessed by logging into the website [here](#). The following on demand training is available now:

RE:

- Islam UKS2 subject knowledge and planning support
- Islam KS1 subject knowledge and planning support
- Sikhi LKS2 subject knowledge and planning support
- Hindu Dharma LKS2 subject knowledge and planning support

There are also other items in this section, including training slides and resources from previous training, and Grove Books.

If you are the leader of a partnership subscribing school and you do not have a log on to this area of the website, please contact Louise Liddy. It is not practical for us to provide multiple log in's for each school, you are therefore welcome to share this log in within your school, but please do not share it outside of your school. This is very important as we have strict licensing agreements for some of the content in this area.

If you do not subscribe to the partnership, the training listed above is available at cost of £50 per video, please contact Louise Liddy or Gemma Hitch to arrange purchase.
